January 9, 2007
ASX ANNOUNCEMENT

HFA PARTNERS FUND CAPITAL RAISING

HFA Holdings Limited (ASX: HFA) is pleased to announce the successful closure of the HFA Partners Fund ("the Fund") after securing investments of more than \$53 million from a diverse range of investors.

Initially the new Fund will have total assets under management (AUM) of \$129 million with the ability to increase the amount of leverage over the short and long term. The capital raising takes HFA Holdings' total FUM to \$1.76 billion and AUM to \$2.96 billion as at 31 December 2006.

The Fund is managed by HFA Asset Management Limited, a wholly-owned subsidiary of HFA Holdings Limited.

The Fund offers a range of key features including absolute return potential; exposure to a concentrated portfolio of absolute return funds and hedge funds; and potential for enhanced returns through leveraged exposure to the Underlying Fund.
